

## Creating a New Google Account

### Create your Google Account

First name  Last name

Username  @gmail.com

You can use letters, numbers & periods

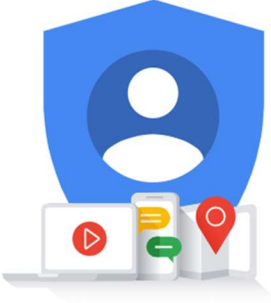

[Use my current email address instead](#)

Password  Confirm

Use 8 or more characters with a mix of letters, numbers & symbols

Show password

[Sign in instead](#)

One account. All of Google working for you.

Creating a Google account is a quick process. Enter your first and last name and the username desired. If this username is taken, you will be prompted to enter another. Then enter and confirm your password and click next.

If you would like to use your current email address as your Google account, press the blue line that says “Use my current email address instead”
