You must be an active member of the plan to receive rewards. To be rewarded, activities must be completed within the calendar year (January 1, 2026 – December 31, 2026). All services must be medically necessary to earn rewards. Your earned rewards cannot be used for gambling, or to purchase alcohol or tobacco or firearms and cannot be converted to cash.

All health activities are awarded once a year, except where noted differently.

#### What's next?

Going to the doctor and taking your medications can help you stay healthy. Here are some tips to help you make the most of your visit:

- Schedule your Annual Wellness Visit.
- Write your questions down at home, before your appointment.
- Make a list of medications and check to see if you need any refills.
- Ask your doctor what screenings you are eligible for, so you can start earning rewards!
- Before you leave your doctor's office, make sure you schedule your next visit.

### **Using Your Rewards:**

Your rewards will be available for use once your OTC benefit is fully used each month. When making in-store purchases, please select the credit card option and skip PIN entry. A list of participating retailers is available on mybenefitscenter.com or the OTC Network App. Reward amounts earned in 2026 will expire on December 31, 2026. Be sure to use your reward balance before then.
